

Amendments to the Drawings:

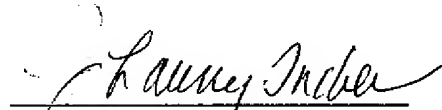

Formal drawings are submitted herewith which incorporate the changes required by the Examiner. Approval by the Examiner is respectfully requested.

Attachment: Replacement Figures 1 - 6

REMARKS

Applicants have corrected the drawings identifier in the top margin as "Replacement Sheet" as required by 37 CFR 1.72. It is believed that this correction along with the response to the Office Action of February 05, 2008 is complete and that the drawings are now acceptable. Favorable reconsideration and early passage to issue is therefore earnestly solicited.

Respectfully submitted,
